WHY SHOULD YOU HAVE AN EVENT WITH SEW TIMELESS?

You have the choice of many, many events for your store or ASG chapter. When you make that choice, you need to feel comfortable that not only will the attendees have a relaxed and enjoyable time in the class, but that the classes will teach something valuable. This is exactly what you get with a Sew Timeless class taught by Kandi Christian.

Kandi L. Christian, MBA is a well-known and popular teacher of classes both in the USA and England. She is a licensed Martha Pullen instructor and has been an educator for several sewing machine companies. She is an expert sewer and an effective and entertaining instructor.

In addition to writing articles for magazines such as Sew Beautiful, Designs in Machine Embroidery, Sew News, Threads and Creative Machine Embroidery, she has also written 17 books on sewing and the business of sewing and teaching. She was also tapped by the BBC to be their expert seamstress for their TV show “While You Were Out.” She has been a featured speaker at many trade shows and conferences and is passionate about sharing her knowledge and enthusiasm for art of sewing.

WHAT’S ON THE AGENDA?

Kandi teaches a wide range of classes including those taught at the ASG National Conference and the annual Sewing and Stitchery Expo in Puyallup, WA. Your attendees will have the advantage of attending those same classes without having to travel.

Find all their descriptions and lengths on our website by clicking on the “Classes” tab.

If you’re looking for some other topics, techniques or skills in particular, just give Kandi a call - she’ll be happy to customize a class for you.

DOES IT HAVE TO BE IN PERSON?

Not at all. Uniquely, we offer successful hands-on Zoom classes in which Kandi demonstrates a step and then students use their sewing machines to complete that step before moving on. She even checks what they’ve done if they have a camera.

WHAT ARE THE FEES?

The class and kit fees are in the class descriptions. We have a class minimum of 8 with no maximum.

In-person classes may require a charge for airfare, auto rental and a \$150 per night hotel fee. Alternatively, staying in a member’s guest room to save hotel cost and/or having a member provide airport transportation may be options.

WHAT DO YOU DO NOW?

Contact kandi@sewtimeless.com or toll free at (877) 870-6961 to discuss your chosen class and arrange a date. We’ll send you confirmation, and a “what to bring” list.

Student registration, kit ordering and payment are all handled for you on our website. We’ll even set up the Zoom session and send the meeting notices to the attendees.
